

- (e) the location-wise/allocation-wise/time-wise details thereof; and
(f) whether renovation of health centre located at Kanjharuan is also included in this scheme?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABA LAKSHMI): (a) Under National Rural Health Mission (NRHM), it has been approved to set up Community Health Centres (30-50) beds to meet the population norms as per census 2001 and bearing their recurring cost for the mission period. In case of Primary Health Centres (PHCs), it has been approved to upgrade all PHCs as 24 hours referral service units.

(b) and (c) Yes, Sir. The health infrastructure of District Hospitals, Sub-divisional/Sub-district Hospitals, Community Health Centres, Primary Health Centres and Sub-centres will be upgraded as per Indian Public Health Standards (IPHS) which also incorporates the construction and upgradation of staff quarters too. In addition Annual Maintenance Grant for improving and maintaining physical infrastructure and United Funds for local health needs have been approved for all Health Institutions in the country.

(d) to (f) The State Government of Bihar has to propose the opening of new Health Centres depending upon the felt needs of people in their Annual Programme Implementation Plan under NRHM.

Health grants for Orissa

†352. MS. PRAMILA BOHIDAR:
SHRI B.J. PANDA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

- (a) whether it has been proposed to grant Rs. 285 crores to Orissa State in the health sector;
(b) if so, the details thereof;
(c) whether certain foreign agencies also propose to contribute in the matter; and

†Original notice of the question was received in Hindi.

[24 November, 2006]

RAJYA SABHA

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) A proposal titled Orissa Health Sector Plan 2005-2010 has been received by the Ministry of Health & Family Welfare under which a requirement of Rs. 285.50 crores has been projected by the State Government for the component relating to reduction of Infant Mortality Rate and Maternal Mortality Ratio. The State Government has been advised to realign the Plan with the framework for implementation of the National Rural Health Mission.

(c) and (d) A number of External funding agencies provide budgetary support to the related Reproductive and Child Health (RCH-II) component of the National Rural Health Mission. However, the grants in aid to the States under the RCH-II Programme are released without disaggregating individual donor contributions.

Failure of Government machinery in controlling dengue and Chikungunya

†353. SHRI ABU ASIM AZMI:

SHRI RAVULA CHANDRA SEKAR REDDY:

SHRI TARIQ ANWAR:

MISS ANUSUIYA UIKEY:

SHRI PYARELAL KHANDELWAL:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are fully aware that two epidemic diseases dengue and chikungunya spread in the country recently;

(b) if so, the total number of such patients admitted in hospitals, the total number of patients died and the total number of such patients still on beds, State-wise;

(c) whether Government are aware of the reasons for breaking out of such fatal diseases in the country and if so, the reasons for delay in taking protective action in this regard;

†Original notice of the question was received in Hindi.
